

A beautiful leisure park situated on the picturesque Isle of Anglesey.

Welcome to Sandy Beach

Idyllically located directly on the beach on the North West coast of Anglesey, we offer a delightfully tranquil environment, providing the ideal base for exploring your outstandingly beautiful surroundings. Launch your boat from our own private slipway, enjoy a leisurely coastal walk or simply relax - the choice is yours! We invite you to make Sandy Beach your holiday home.

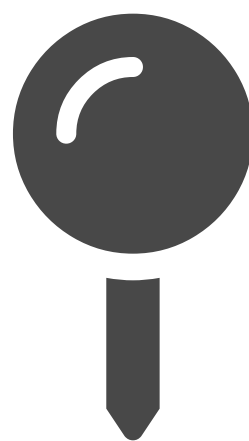

All our static caravans are owner-occupied. Tourer plots are let on a seasonal basis. Sorry we don't take short term tourers or tents.
